

Ryan Park Elementary School

Twitter Memo for Parents

In an effort to increase communication with parents on the happenings at MSD of Steuben County, we are encouraging you to sign up to use Twitter (www.twitter.com). Twitter is a website that allows people to communicate through the exchange of quick and brief statements. We have created an account to disseminate useful information about Ryan Park Elementary school (i.e, school news, testing, progress reports/ report card dates, school events, etc.) and valuable parent resources instantaneously. The best part is, once you have signed up to “follow” the updates, you will receive these messages instantly to your Twitter page as well as your cell phone (standard text rates apply) if you have it set up.

Signing up is easy! Go to www.twitter.com, create a user profile, and once you are registered, perform a search for the school username (@RyanParkRhinos). Then, click on the profile and select “Follow!”

Through Twitter, you can also receive updates through email or text to your cell phone. To customize these features in Twitter, you must go to Twitter settings. Click on the “gear” in the top left corner of the website, and select Settings. From there on the right side of the page, you can customize Mobile settings by activating your phone number for text messages, or customize your email settings.

1. Click the gear & select Settings. 2. Select Mobile and/or Email Notifications to customize your settings!

If you do not wish to sign up, you can still view the profile and any updates by going to the site listed below and either bookmarking it, or adding it to your favorites!
