Dear Ryan Park Parents and Students,

I would like to welcome you to what will be a very exciting 2018-19 school year. I hope your family has had a pleasant and relaxing summer and are looking forward to the start of school. The staff is making preparations for the start of the school year.

I would like to point out some very important events that will be taking place in the upcoming weeks:

- August 13 Open House 6:00-7:00pm
- August 15 First Day of School!

As the school year begins, we enter into a partnership in which each of us plays a key role. The student is positive, respectful, and responsible with their work. The parent supports their child and the school, and our staff provides quality differentiated instruction that meets the State Performance Standards.

As in the past, the **entire** staff is committed to providing the best education possible for our students. We all look forward to meeting and working with all of our parents to achieve this goal. If at any time you have concerns or questions, we encourage you to contact your child's teacher or the office.

The school newsletter, created monthly, will be sent to you via email or hard copy and will also be found on our school website. Important details and dates regarding the start of school will be found in this newsletter. Your first newsletter of the 2018-2019 school year is now posted on the website. Should you need a hard copy of the school newsletter, please stop by the Ryan Park office. On behalf of the staff, I would like to thank you in advance for your continued support and cooperation.

Sincerely,

Amy Heavin
Principal
