August 1, 2018

Dear Ryan Park Kindergarten Parents,

Another milestone in your child's life is rapidly approaching – the first day of school! We want to make this initial introduction to school a positive experience.

Parents are encouraged to take the time to visit the kindergarten classrooms during our school **Open House Night, Monday, August 13<sup>th</sup> from 6:00-7:00pm**, to meet your child's teacher and become familiar with the classroom. Please take advantage of this opportunity to bring school supplies and walk around the school to become more acclimated to our school. This will allow for a smoother transition on the first day of school.

On the first day of school, **Wednesday, August 15, 2018**, we welcome you to join us for **Kindergarten Orientation**. You will be receiving other school forms and information in the Parent/Student Folder and may pay book rental fees in the amount of \$97.65. Full day kindergarten students will eat lunch at school. The cost is \$2.30 per day, paid by the week, month, or year.

At orientation, there will be a **Parent Meeting** before the kindergarten school day begins. Please drop off your kindergarten student in his/her classroom by **8:15am**. At this time your child will be with a Ryan Park classroom assistant. All kindergarten parents will need to report to the Large Group Instruction Room (LGI) for a 30 minute meeting with the kindergarten teachers which will begin at **8:20am**. After the meeting, parents will be excused. All students will be dismissed at the 2:45pm dismissal time.

The school newsletter, created monthly, will be sent to you via email or hard copy and will also be found on our school website. Important details and dates regarding the start of school will be found in this newsletter. Your first newsletter of the 2018-2019 school year is now posted on the website. Should you need a hard copy of the school newsletter, please stop by the Ryan Park office.

We welcome you and your child to Ryan Park Elementary and encourage you to become involved in our school activities. If you have any questions or concerns, please contact the school at 668-8873.

Sincerely,

Amy Heavin  
Principal
