Rhinos in the News!

This school year, we would like to continue to feature more of the great accomplishments of our Ryan Park Rhinos! Our students do AMAZING things, and we want to share those with everyone!

In our hallway near the main entrance lobby, a bulletin board will feature news articles, perfect attendance, honor roll, and other great accomplishments our students have made!

Periodically, we will send out a short video featuring pictures and student work, showcasing all the great learning happening in the school! Our school website will also feature this fantastic learning, as well as on our Twitter feed.

If you have student accomplishments to share and you would like to see your child recognized for those at school, please send them to Mrs. Heavin, aheavin@msdsc.us. Thank you!

**Steuben County
Promise Program:**

Steuben County is coming together to support all youth in the development of their college & career identity through discovery, readiness, & educational savings.

All K-3 parents & students are invited to enroll their child in a 529 College Savings plan during Open House. Check out the Promise table for more details!

Morning Drop-Off

For the safety of all students, if you drop off your child in the morning or pick them up in the afternoon, please use the main Ryan Park entrance, NOT the staff/bus parking lot.

Please make sure they are safely on the sidewalk before pulling away.

Your cooperation ensures all children are safely entering and exiting the school.

Thank you!

Getting Ready for School!

Getting a new school year off to a good start can influence children's attitude, confidence, and performance both socially and academically. The transition from summer to school can be difficult for both children and parents. Even children who are eager to return to class must adjust to the greater levels of activity, structure, and for some, pressures associated with school life. Here are a few suggestions to help ease this transition and promote a successful school experience.

- Review the material sent by the school as soon as it arrives.
- Make a note of important dates.
- Buy school supplies early.
- Plan to re-establish the bedtime and mealtime routines at least 1 week before school starts.
- Encourage your child to play quiet games, do puzzles, flash cards, color, or read as early morning activities instead of watching TV.
- Designate and clear a

place to do homework and select a spot to keep backpacks and lunch boxes once again.

- And freeze a few easy dinners to make it easier on you during that busy first week of school!

Welcome back to school!
