## The Principal's Desk

Amy Heavin

It has been a wonderful start to our school year! Great learning is already happening in every classroom, and it is great to walk around and see students excited about reading, writing, math, and other subjects as well.

In the upcoming weeks, we will have many exciting opportunities for our students to shine. We will begin our Tier 2 time, which will utilize 30 minutes every day for remediation and enrichment of skills. Rocky's Math Blast will soon begin, with new goals and new incentives. Our students demonstrated tremendous

growth last year, and we are thrilled to continue this success!

My door is open, and I welcome comments, concerns, and questions.

Thank you for all you do for our students.

### Lunch Visits

Parents may sign-in the office to have lunch with their child. However, recess is for **students only**. This is a social time for children and our staff is trained to keep them active & safe. Thank you!

## Great Attendance: An Essential Skill

In order to learn and grow, students need to be at school. Good attendance in school is not only critical for skill development in students, but it is also establishing good work habits that can be seen throughout life. MSD of Steuben County Board Policy and Indiana Compulsory Attendance law (I.C. 20-33-2) require students to be in school, and when patterns of absenteeism are developed, action by the school is necessary. Please stress to your children the importance of being at school to establish these good habits!

All absences, with the exception of those exempt under the law, are recorded in your child's attendance record. Excused absences are those in which the school has been notified of the absence **before 9:00am or with a doctor's note**. Unexcused absences are those not covered in our policy and absences where no verification was made by the parents before 9:00am.

Children should also learn how important it is to arrive on time for school. Some of the most important directions of the day occur in the first few minutes. Children who are ready, sitting in their chairs, waiting for instructions, are learning more, day by day.

If you have any questions regarding MSD of Steuben County attendance policy or Indiana Compulsory Attendance Law, please feel free to contact the school.

**Background Checks**

Background checks are required **every** school year for parents who would like to volunteer in the school or chaperone a school field trip. Forms are available in the office, and a copy of your driver's license is needed as well. **All forms must be turned in at least 2 weeks prior to the field trip.** Only one form is necessary per family. If you have questions, please ask Mrs. Schaeffer.

Thank you!
